A FEW THINGS TO KNOW

Come Prepared for the Mountains

SARAAYA is intentionally located away from the usual tourist routes. That seclusion is central to the experience, but it also means that some services can be different from what you would expect at a conventional hotel.

BSNL	The most reliable mobile network in the area.
Wi-Fi	Available at SARAAYA, although occasional interruptions can occur.
Electricity	Power outages can occur, particularly during adverse weather. There is currently no power backup.
Arrival	The final approach involves a short walk, with team assistance for luggage.
Weather	Mountain conditions can change quickly, so arrival and outdoor experiences remain weather dependent.
